1. In view of the  limiting knowledge of the activities of the Office of Special Operations, the additional instructions contained in the memorandum pertaining to security of that office  to all personnel of the Central Intelligence Group.

a. Personnel of  divisions, C.I.G., have been instructed to confine their contacts and visits to other offices of C.I.G. to the minimum necessary to transact official business. All personnel of other offices and staffs of C.I.G. will similarly confine their contacts with and visits to Special Operations to the minimum necessary to transact official business.

b. Likewise, it is highly desirable that contacts with State, War, Navy and other Departments of the Government pertaining to the business of Special Operations be confined to the minimum and that these contacts be controlled by Special Operations. The Assistant Director for Special Operations, C.I.G., has designated the Control Branch, Special Operations, as his agency to control and conduct these contacts. Consequently, all personnel of the staff and other offices of C.I.G., including personnel of the Personnel and Administrative Branch, assigned to operational
